

11. (New) System according to claim 1, characterized in that the at least one gas-filled bellows device comprises an air-filled bellows device.

**REMARKS**

The above amendments were made solely to remove remaining informalities from the Claims. None of the amendments were made for purposes of distinguishing over any prior art or for any other scope limiting purpose.

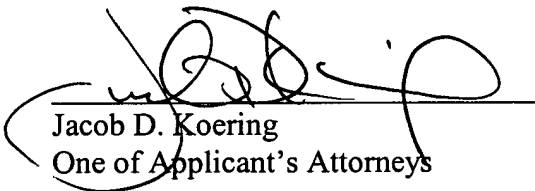

Upon entry of the foregoing, the application should be deemed in condition for substantive examination at the present time.

Should anything further be required, a telephone call to the undersigned at (312) 226-1818 is respectfully solicited.

Respectfully submitted,

FACTOR & LAKE, LTD.
